

Galashiels Through Time

Heriot-Watt University - Wikipedia Heriot-Watt University is a public university based in Edinburgh, Scotland. It was established in 1821 as the world's first mechanics' institute (Royal Charter granted in 1966) and has campuses in the Scottish Borders, Orkney, United Arab Emirates and Putrajaya in Malaysia. Shaping the future of your water and waste water services ... What might the future hold? Although no-one can truly predict the future, we must develop long-term plans that can stand the test of time – especially because most of our existing assets and new investments will last for decades.
